## Model RPRL- JEZ

- Features on-board system diagnostics
- Up to 17.00 SEER in certain matched systems
- Active compressor protection
- Broad range of cooling capacities from 23,600 to 58,000 BTU/H
- A 10-Year limited warranty on all parts, plus a 10-year conditional unit replacement warranty

feature aids the contractor in servicing or repairing your unit, saving you time and money.

- **Fault Recall** - Even if there is a power failure, this feature will retain the system's "operation history" and will display it on the control board for quick and easy viewing during service calls.
- **Active Protection** - The feature monitors your system to prevent the compressor from operating when potentially harmful conditions are detected.
- **Increased Dependability** - The thermostat communication capability can alert you to any necessary service requirements, giving you peace of mind that your home comfort is guaranteed.

### Heart & Scroll

The heart of your heat pump is the compressor. That's why every Rheem unit features a Two-Stage Scroll® Compressor—widely recognized as the industry leader for performance and durability.

### Humidity Control

When matched with a *Prestige Series* Air Handler, the system adjusts airflow to help control humidity for unsurpassed comfort in the cooling mode.

### Durable Cabinet

Our galvanized steel cabinet protects your Rheem unit from the elements, helping reduce maintenance expense.

### Low Corrosion and Sound

A special base pan elevates the unit off the pad and away from corrosive condensation. More quiet performance and lower vibration levels also result.

### Fan-tastic

Our motor mount prevents damage to your fan motor, extending its service life. For quiet operation and improved efficiency.
