We build quality into every component of our Amana<sup>®</sup> Distinctions<sup>®</sup> brand heating and air conditioning products. That's why our **Amana Distinctions brand DSSX14 High-Efficiency Air Conditioner** has a Seasonal Energy Efficiency Rating (SEER) of up to 15 — a significant improvement in efficiency over many of the lower SEER units installed in homes today. With an **Amana Distinctions brand DSSX14 Air Conditioner**, your savings, versus lower SEER units, can add up very quickly — especially in hot weather, when energy use can increase dramatically.

The savings start with our efficient condensing coil design. We use only high-quality rifled copper tubing and corrugated aluminum fins, which withstand the corrosive effects of moisture and extreme temperatures. Our coil design provides more cooling surface, which further increases efficiency. Additionally, every coil that goes into an **Amana Distinctions brand DSSX14 Air Conditioner** is thoroughly tested.

### Quality You've Come to Expect from Amana Brand Products

In addition to outstanding energy efficiency, the **Amana Distinctions brand DSSX14 High-Efficiency Air Conditioner** provides you with the following benefits:

- Chlorine-free R-410A refrigerant
- A compressor sound cover and a louvered sound-control top
- A factory-installed filter drier that keeps moisture and debris out of your system
- A louvered cabinet made of heavy-gauge galvanized steel that protects the coil while its appliance-quality finish resists the effects of weather and time
- An attractive design, finished in an Architectural Gray color that complements any home environment

### Premium Comfort

We back the quality of our **Amana Distinctions brand DSSX14 High-Efficiency Air Conditioner** with the following:

- **A Lifetime Compressor Limited Warranty\***  
(good for as long as you own your home)
- **A 10-Year Parts Limited Warranty\*** on all functional parts

### Additional Information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.
